Statement of the Weimar Triangle of Lawyers on the decision of the Constitutional Tribunal of the Republic of Poland dated 7 Octobre 2021

The alliance held its first open virtual summit on 22 October 2021, where prominent speakers discussed the existing legal possibilities of defending the Rule of Law against erosion. Members of the three organisations and other members of the legal profession could join this very practical event to learn more about the measures which could be applied by each particular lawyer to protect the Rule of Law in Europe.
